

Autumn 2017 Module Availability

Requiring January Presence

subject to change and demand

Instructions

****The below list of modules is comprised of all modules that do require physical presence in January after the Christmas vacation.****

1. Choose your modules carefully

- ✓ You must discuss the module options available with your academic advisor/ international office at your home institution
- ✓ Ensure you read the module syllabi of each module you are interested in carefully. All syllabi are available to read and download via the [links provided at the bottom of each programme offering](#).
- ✓ You must have read the syllabi **before** deciding whether you want to take the course or not. [No changes are allowed once you have submitted your Module Choice Form](#)
- ✓ Check with your home institution how many credits/ modules you must take while abroad. It is your responsibility to know this and you will need to ensure that you are registered for sufficient credits/ modules
- ✓ The Module Choice Form (as part of your application) must be approved by your home institution.

2. Which courses are available for me to choose from?

- ✓ All modules listed in the table below are open to exchange/ study abroad students. These have been approved by the relevant programme director (s) at Regent's
- ✓ Check which module runs in which semester and whether the course is a core or an elective module. Core modules are likely to run while elective modules only run subject to demand
- ✓ For all Level 6 modules and some others, you will need to meet the pre-requisites of the course. Check the module syllabi carefully and consult with your academic advisor (and the IPO Inbound Team if necessary). These modules are marked with *
- ✓ Modules through Liberal Studies count 6 ECTS (12 CATS) which is around 3 US credits. The maximum amount of credits you can sign up for is 30 ECTS but we recommend you do not take the full workload in order to allow time to explore and enjoy London. 20-25 ECTS is a balanced workload
- ✓ You may register for classes across all programmes (e.g. Media, Film & Performance or Fashion & Design as well as Liberal Studies)

3. Timetable clashes and modules not running

- ✓ We cannot guarantee that you will be given your first choices. This is due to timetable clashes (especially across programmes and levels) and closed classes. Therefore, you must indicate twice as many approved suitable alternatives on your form as you have indicated first choices (If you need to take 25 ECTS, for example, you should note down as many first choices as needed to reach 25 ECTS, and as many first and second alternative choices to reach 25 ECTS, too). You will need to provide at least one alternative for each first choice module. You may be given any of these alternative modules if your first choices are not available. It is important that they fit with your studies and have been approved by your home university. If your form does not state these alternatives it will not be accepted and it will be returned
- ✓ Timetable clashes may be avoided if you chose only classes from one level
- ✓ Timetable clashes may be avoided if you chose only classes from one programme
- ✓ Please pay attention to recent amendments in modules listed below- modules which have been cancelled are marked with a strike: ~~example~~. Modules which are newly added are highlighted: **example**.

4. Your choices

- ✓ You must ensure that you tick the box 'compulsory' if you require the module in order for your graduation not to be delayed at your home institution. We will try our best to get you into this module but we still cannot guarantee it
- ✓ The module choice form must be completed, approved and sent to inbound@regents.ac.uk as part of your application to Regent's

5. Changes to your module choices

- ✓ You cannot make any changes to your module list. Once submitted, this is considered your final choice. The IPO Inbound Team passes your choices on to the registry office who will schedule you into classes

6. When will I receive my timetable?

- ✓ We endeavour to send you a draft timetable prior to the start of the semester. In case we are unable to schedule you into sufficient classes we will then be in touch with you directly to sort this out prior to your arrival. You will receive your final class timetable during the Orientation Week

****By submitting your application form (which includes the Module Choice Form) you confirm that you have read and understood the above*.***

Any questions should be directed to the IPO Inbound Team on inbound@regents.ac.uk.

Please quote your full name and name of your home institution so we can advise swiftly.

Syllabi (detailed module descriptions) are available to read through the links at the bottom of each programme offering.
