*More detailed term dates are available on our [undergraduate](#) and [postgraduate](#) calendars.

English language entry requirements

One term

No proof of English language proficiency is required. However, we recommend a level of English equivalent to CEFR B2 to ensure students feel comfortable communicating in English and can complete their studies successfully. We rely on our partners to check that students have an appropriate level of English. Read more about the B2 level [on the British Council's website](#).

Deadlines

Two terms

Applicants who are not nationals of a majority [English-speaking country \(as defined by UKVI\)](#) or applicants who have completed an academic qualification equivalent to a UK degree from an English-speaking country will not need to provide additional proof of English language proficiency.

Applicants who do not fall into the categories above will need to meet UKVI requirements for entry into the UK under a Student Visa. We accept all [government approved English language tests](#).

	Spring 2025	Summer 2025	Autumn 2025
Nominations	11 October 2024	04 April 2025	14 March 2025
Applications	18 October 2024	11 April 2025	21 March 2025

*Applicants are guaranteed a place provided they meet our requirements and their applications, including all supporting documents, have been received by the deadline above.

Nominations and applications

Nomination procedure

All students (except for independent free-movers) must be formally nominated by their home university or agent via a Regent's nomination form, which we'll send to partners when nominations open.

Application procedure

Nominated students will receive an email from our team with an application link and instructions on how to apply. Students must have the following items ready for when they apply online:

- A clear copy of their passport (photo page only)
- A copy of their most recent academic transcripts*
- A short personal statement (free-movers only)

If they're applying for two terms, they'll also need:

- A copy of an approved [English language test](#).

*If documents aren't issued in English, we require the original as well as an official translation.

Choosing modules

Students choose their modules when submitting their online application. The maximum credit load allowed per term (Autumn and Spring) is 30 ECTS. Where possible, we advise that students take around 20-25 ECTS per term to allow them time to enjoy their time in London.

For the Summer programme, the credit load is as follows:
6 weeks: max 12 ECTS – 2 modules
12 weeks: max 22 ECTS – 2 modules + internship

Indicative module lists are available for:

- [Autumn and Spring](#)
- [Summer programme](#)

Regent's Credit points

60 UK CATS	30 ECTS	15 US credits
------------	---------	---------------

Please note that it is the home university's responsibility to determine credit equivalency.

Students can choose modules from all subject areas (Liberal Arts, Business & Management, Fashion & Design, Film Production, Psychology & Psychotherapy and Languages) however, they'll need to be pre-approved by their home institution. Please note, taking modules from different subject areas may result in timetable clashes. We'll inform students if this happens. Because of this, we encourage students to select backups.

Students with limited prior learning in a particular subject area should choose level 3 and level 4 modules only.

OFFER AND ACCEPTANCE

Students will receive an offer letter within four weeks of applying, provided all documents have been received by the deadline. To accept an unconditional offer, students must check that all information is correct, read and accept the Terms and Conditions and agree to comply with the University's policies.

Students paying Regent's directly must also pay a non-refundable deposit upon acceptance, which will be deducted from the full tuition fee. Institutions paying on behalf of students will be responsible for paying the deposit once a student has accepted their offer.

Deposit amount for one term (including the Summer programme): £1,000*

Deposit amount for two terms: £4,000.

2024-25 STANDARD TUITION FEES*

Undergraduate one term – £11,250
Undergraduate two terms – £22,500
Postgraduate one term – £13,000
Postgraduate two terms – £26,000
Summer programme (per module) – £2,300

Students will receive payment instructions before the start of term. If their home university has agreed to pay on their behalf, the invoice will be sent directly to the institution.

There are no tuition fees for students on the Exchange programme.

ACCOMMODATION

Regent's offers brilliant [on-campus accommodation](#) in Reid Hall. To apply, students can use our online form – however, they won't be able to do this until they've submitted a study abroad application and received their ID number, which looks like this: S2300942.

Students staying on-campus receive a £100 meal allowance included in their accommodation fee. This is issued on their student ID card and can be used at any on-site food outlets. This doesn't guarantee three meals a day, so it's the students' responsibility to budget and top up if needed. Unspent money can't be carried over to the next term and can't be refunded.

For questions, students can contact our accommodation team at accommodation@regents.ac.uk

PRE-ARRIVAL AND ARRIVAL INFORMATION

Immigration

All students must ensure that they have the legal right to study in the UK. Students can [check the UK government website](#) to see if they need to apply for a visa before arriving. Visa information can also be found on [Regent's visas and immigration page](#).

- [Visa nationals](#) coming for one term need to apply for a [Standard Visitor visa](#)
- Non-visa nationals and EU/EEA nationals coming for one term will be able to travel to the UK without a visa and enter the UK as a visitor. They will need to keep a copy of their boarding pass or obtain a stamp on their passport at the borders to demonstrate evidence of their entry into the UK. Some students might have to apply for an ETA (Electronic Travel Authorisation) depending on their nationality, click [here](#) for further information
- All non-UK and Irish nationals coming to the UK for two terms will need to apply for a [Student Visa](#)

Students will receive instructions prior to their arrival on how to prove their immigration status to Regent's.

Pre-term English language classes

English language classes are available before the start of each term at [Regent's School of English](#).

Welcome Week and registration

Students must complete their online enrolment prior to arrival and will receive an email with instructions approximately four weeks before the start of term. They are required to arrive one week before the start of classes in order to attend the compulsory Welcome Week.

They'll be sent a schedule of events and information about Welcome Week two weeks before arriving.

Health insurance

We do not offer health insurance. It is the student's responsibility to take out appropriate insurance (for health and personal items) before they travel abroad.

Cost of living

Please [refer to the UKCISA website](#) for information on cost of living in London.

STUDENT SERVICES AND FACILITIES

Student Experience Team

The **ASK Centre** is students' first stop for everything they need. Our Student Experience Team offers comprehensive information, support and specialist advice to help students with any matter – personal, practical or academic.

If students decide to disclose a disability, they should contact the Senior Student Support and Welfare Officer on studentsupport@regents.ac.uk

Trips and activities

Free and paid activities and trips are offered to all students throughout their stay. From boat trips to Greenwich, to graffiti tours in Shoreditch, students will have the opportunity to experience life like a true Londoner. For more info please contact the Student Union on studentunion@regents.ac.uk

Student Union

The **Student Union** is the official representative body for all Regent's students. They encourage and support student-run societies, sports, academic and social activities.

Sports and fitness

Sports and fitness at Regent's is open to all students, offering a range of fun and engaging activities to suit all tastes, whether students want to be part of a competitive team or simply want to exercise. Students are welcome to join our competitive sports teams (e.g., football, basketball, polo).

We also offer free sessions across campus (e.g. BoxFit, yoga, Zumba). Students can hire our multi-use games area on campus. A range of equipment is also available to hire. Full information can be found on the [Student Union website](#).

Alumni network

After completing their term or academic year abroad, Study Abroad and Exchange students will have the option to [sign up to our Associate Alumni network](#).

Academic skills support

Our friendly and experienced Academic Skills Advisers help all Regent's students achieve their academic potential by offering free study skills workshops, drop-in sessions and personalised one-to-ones to meet their needs.

English language support

English language support is available in non-credit bearing 'English for Academic Purposes' classes throughout the term. This service is free of charge and students can sign up during the first week of induction if interested.

IT and learning resources

The University Library gives students access to around 45,000 books, including print and e-books.

- We offer dedicated spaces for studying, including bookable group-study rooms and silent-study areas for independent learning
- Blackboard is our virtual learning environment, where students will find learning materials for their modules
- Our Digital Media & Production team offers a variety of resources that students can borrow including professional video cameras, lighting, sound-recording and editing equipment

The University offers a wide range of IT services to support and enhance students' learning. This includes campus workstations, printers, Wi-Fi network, Eduroam service, free software downloads, Regent's University London app, e:Vision portal and much more.

regents.ac.uk/learning-resources

On-campus security and emergencies

The Security office is staffed 24/7 and is located by the main entrance of the University.

The office can be contacted at any time on 0208 486 7495 but, in the case of an emergency, students are advised to contact 2222 from an internal phone or 0203 075 6222 externally.

We have trained fire marshals who help with evacuation procedures in case of fire on campus, as well as appointed first aiders to provide immediate assistance on campus.

Food and catering

We offer excellent on-campus catering facilities for breakfast, lunch and dinner, as well as drinks and snacks throughout the day. All food outlets have an allergens data sheet which is updated daily with daily products and is available to view upon request. Students should inform our office in advance if they have any dietary requirements so that they can be advised accordingly.

ACADEMIC INFORMATION

Class timetable

Students will be able to see their provisional timetable approximately two weeks before classes start.

They should review their timetable and ensure that all modules have been approved by the home university's academic coordinator and can transfer back to their degree.

Timetable changes can only be made for academic reasons and must be requested by the home institution.

Attendance

Classes can be scheduled any time during the core teaching week (Monday to Friday, 09:00 – 19:00). Students are expected to attend all their module activities on their assigned days and times.

Attendance is compulsory and is monitored closely with an electronic 'tap-in' recording system. This enables us to ensure students are fully engaged with their academic activities and identify those who may need guidance and support. [Learn more.](#)

Grading system

UNDERGRADUATE

70%+ = First Class Honours

60-69% = Second Class Honours Higher

50-59% = Second Class Honours Lower

40-49% = Third Class Honours

39% and below = Fail

POSTGRADUATE

70%+ = Distinction

60-69% = Merit

50-59% = Pass

49% and below = Fail

Transcripts

Official transcripts can only be issued once all grades have been reviewed and approved by the relevant exam subject boards. A digital copy is then sent to the student's home institution or agent.

Transcript issuing dates are:

- March for students who attended the Autumn Term
- July for students who attended the Spring Term
- August for students who attended the Summer Term.
